ROSALIND FRANKLIN UNIVERSITY
OF MEDICINE AND SCIENCE

COLLEGE OF PHARMACY
OFFICE OF EXPERIENTIAL EDUCATION (OEE)
PRECEPTOR TRAINING INFORMATION

Preceptor training for the College of Pharmacy is available using the *Preceptor Training & Resource Network* through Pharmacist's Letter

If you currently subscribe to Pharmacist's Letter, please follow the steps below.

How to gain access to RFUMS preceptor training:

Step 1: It is important that you follow the link below to log in. You'll get access to the *Preceptor Training & Resource Network,* including Preceptor CE. Additionally, RFUMS College of Pharmacy will be added to your *My Profile* page in the *National Preceptor Database* so any Preceptor CE that you take will automatically be reported.

www.pharmacistsletter.com/?referer=rosalindfranklin/ptrn

Step 2: On the left, click "I personally subscribe to *Pharmacist's Letter*."

Step 3: Enter in your Email Address and Password. Click "Login".

Step 4: To learn about our training modules and requirements, please continue to page 2 now.

If you do not have access or a subscription to Pharmacist's Letter, you need to set up a Rosalind Franklin College of Pharmacy account and CE ID#.

How to set up access:

Step 1: Enter this URL in your web browser to set up your Rosalind Franklin Preceptor CE ID#
www.pharmacistsletter.com/?referer=rosalindfranklin/ptrn

Step 2: On the left, click "I'm new to *Pharmacist's Letter* – sign me up for Preceptor CE and Resources!"

Step 3: Complete the form to obtain your CE ID# instantly. Please "logout" and then "login" again.

Step 4: To learn about our training modules, please continue to page 2 now.

Once your account is set up for our College of Pharmacy, please follow the steps below.

To access our training modules:

Step 1: On the left side, click "PL CE & Training". A drop-down box will show "PL CE & Training Organizer". Select this.

Step 2: Proceed on to the list of training modules for Rosalind Franklin University of Medicine & Science. New users may first be asked to select the type of CE credit you want and your state license information (you may enter this at another time).

Step 3: Select the training modules that are required for your rotation (refer to the list below).
